The Blue and Gold

PRESENTED BY
THE CLASS OF 1965 OF
CHARLESTOWN HIGH SCHOOL

We the Class of 1965 wish to dedicate our yearbook, the Blue and Gold, to Miss Annette LaFrank in view of the great service which she has given to our class. She has taught us English in our Junior and Senior years and was our class advisor in our Junior year, as well as helping us during our Senior year to make this yearbook as great a success as it is. We are grateful for all the time which she has relinquished to our class. We thank her from the bottom of our hearts.

Dedication

We would also like to dedicate the Blue and Gold to Mr. Donald Purinton for all the hard work and time he has spent in organizing our class trips to Boston and Sturbridge, and for the great contribution he has made in helping us to have such successful plays. He has taught us in United States History, and we accept gratefully the advice he has given our class. We wish to thank him very much.

SENIOR PLAY

In our play most scenes are done briefly under spotlight. The play moves fast with lots of characters and few speeches with an occasional big scene such as: registration, coffee shop, mob scene, and trial. Sweat shirts, bulky sweaters, dungarees and dirty sneakers are the apparel worn by most of the cast. All combs seem to have vanished and razors are a minus commodity

MONITORS

The monitors have been of great help in clearing congestion in the halls this year, by keeping the traffic moving in an orderly manner. On the whole, there have been few violations, and the students have co-operated. We certainly feel that the Monitors are an asset to our school. The Monitor School System is based on the system of motor vehicles.

The Junior Varsity, under the guidance of Mr. Morris finished the season with a fine 17-3 record and tied St. Mary for the league title. The first five consisted of Charles Child, Bill Royce, Ceddy Fisk, Dave Conant, and Wayne Holden. This group was ably assisted by such players as Charles Hood, Glen Herzig, and Calvin Barton. We hope to see these boys in varsity action next year.

BASKETBALL

Despite failing to win the state M title this year, the 1964-1965 Forts did everything else. They finished the season with a 21-2 record boosting Mr. Silva's Charlestown coaching record to a fabulous (120-14 won-lost mark).

The Forts, led by senior co-captains, Tom Herzig and Bob Putnam and the great scoring and rebounding of Pudgy Fisk, considered by many as the best performer in the state, once again captured the TSL and SWNHL championships. Brad Weeks and Conrad Fisk rounded out the starting five and were capably assisted by seniors Clyde Hunt and Daryl Royce, as well as Ed Kinney. Highlights of the season were the avengful 67-45 victory over Walpole making up for the team's only regular season defeat, the 74-60 pasting of Hillsboro in the quarter-final round of the tournament and the 72-70 near-miss in the semi-finals against eventual champion Hopkinton.

Congratulations to the entire team with providing everyone with such thrilling and exciting basketball throughout the season.

SEATED: Mr. Morris, G. Gray, R. Kinson, J. Reese, C. Hood, T. Ward, S. King, B. Bailey. SECOND ROW: G. Herzig, C. Barton, C. Fisk, T. Reese, S. Kinney, B. Weeks, D. Dickey, A. Schroeder, D. Brodeur. SOCCER

C. Fisk

Inexperience hampered the Soccer team's bid for a winning season under new coach Mr. Morris, and they finished with a 3-6-3 record. Bill Royce and Bob Putnam were the top offensive and defensive stars during the campaign while Pudgy Fisk played exceptional soccer both offensively and defensively. Clyde Hunt, Bob Putnam, Tom Herzig, and Pudgy Fisk were the only senior starters leaving Mr. Morris with 7 returning regulars and prospects for a successful 65-66 season.

ROW 1: G. Gray, D. Christie, T. Ward, C. Hood, Coach Silva, D. Brodeur, R. Kinson, B. Barton, M. Shaw. ROW II: S. King, R. Bailey, W. Holden, W. Royce, C. Barton, J. Gates, B. Weeks, D. Dickey, G. Herzig, Mgr. G. Cameron. ROW III: R. Putnam, Conrad Fisk, T. Herzig, Carlton, Fisk, E. Kinney, D. Conant, P. Brodeur, Cedric Fisk, T. Reese.

Last year's baseball team finished the season with a 13-6 record after playing a highly competitive schedule. Led at the plate by Jake Weeks, Pudgy Fisk, and Floyd Pollard and on the mound by Pudgy Fisk and Tom Herzig, the Forts advanced to the State Class M finals before bowing to Woodsville 3-2. With seven lettermen returning, Coach Silva hopes to enlarge the "65" schedule and produce another successful team.

GIRLS' BASKETBALL

C. Aiken, Captain

Miss Churchill, Coach

The girls' team so far this year have proved themselves better than ever. Their record, as this yearbook went to press, was 7-3, losing twice to a superior Bellows Falls club, and once to an improved Chester team. The Seniors on the squad are, C. Aiken, S. Allen, S. Auger, P. Wetherby, S. Dubois, P. Hayes, and J. Aldrich. In the scoring department, Carol and Dolores lead in points, followed by Susan and Joyce. We would like to express our thanks to Miss Churchill for her time and fine coaching efforts; they have certainly paid off. The Seniors of this year's team wish next year's team the best of luck for a successful season.

ROW 1: C. Emery, S. Dubois, J. Aldrich, J. Shabbott, C. Aiken, S. Auger, P. Hayes, J. Gaspardino. ROW II: D. Major, A. Hague, M. Shabbott, S. Child, S. Child, J. Sylvester, E. Gray, L. Long, D. Wojenski, L. Adams, K. Lovell, D. Taylor. ROW III: D. Day, E. Blanchard, P. Highter, D. French, D. Pollard, S. Town, M. Palmer, S. Merrill, H. Bailey, J. Colburn, A. Kinson.

By the looks of this year's girls' softball team, they should have a pretty good season. Graduation last year took only one senior, Irene Town. The seniors on the team this year are Judy Shabbott, Carol Aiken, Susan Dubois, Paula Hayes, Sharen Auger, and Judy Aldrich.

We are sure the girls will do their best to continue their interest in softball.

Clocks, Schmlocks . . .
Whoever Heard of a Seeing?

We have. In fact, we have just such an animal. It's very old. Little over half a century. All sorts of gears, levers and whada-yacallits in it.

Of course, as you think about this, you may question the specie of this animal.

It's a telescope.

The Hartness Turret Equatorial Telescope. We call it the clock with the eye. Much simpler. It's that thing on the Hartness House front lawn.

Drop up some clear night and peek through it. Doesn't cost anything. Bring your date. At least it'll be a new way to look at the moon.
